

## Teryn Zmuda

Director of Research, National Association of Counties (NACo) Futures Lab

Teryn Zmuda is the Director of Research and Data Analytics for the National Association of Counties (NACo) and within the NACo Counties Futures Lab. She leads the effort to position NACo as a thought leader on top county issues. The NACo Counties Futures Lab brings together leading national experts

to examine and forecast the trends, innovations and promises of county government with an eye toward positioning America's county leaders for success to promote county governments of the future. Teryn holds a M.A. in Applied Economics from George Washington University and a B.A. in Sociology from the University of Maryland.
